

## The Lower Dean Management Plan

### Community Consultation

It was decided this should be done through questionnaires handed out to adults attending the Denholm Dean Display on 21<sup>st</sup> November 2025 and to school children by their teachers.

Although most of the responses were interesting and may lead to action being taken the purpose of the exercise was to find out whether the 10 Year Management Plan fully reflected the majority views of the community and if it did not then it should be amended accordingly.

### Responses to Adult Questionnaires

16 adult questionnaires were completed at the event on 21<sup>st</sup> November. None were completed on line or handed into the Post Office.

The % s are the number out of 16 who selected that option. So dog walking was given by 8 out of 16 as the reason in Q1. 6% means only one person choose that answer in Qs 3 and 4..

The answers to Qs 1 and 2 were selected from those listed. The answers to Qs 3 and 4 were given by each individual.

## Responses to Primary School Questionnaires

9 questionnaires were completed – 4 by classes P1, P2/3, P4/5, P6/7 assisted by adults and 5 completed by individual children.

The answers to Q1 contained class numbers so that has been used to establish % use.

The answers to the other questions were taken from the combined class responses and the individual ones so the 5 are not representative of the whole school. Q6 was looking for **the one thing** that would make the woodland better but unfortunately the class responses listed many things that had already been mostly covered in Q4 so I have simply referred to that.

<b>1 Have you ever been to the woodland ?</b>		<b>2. What do you like to do there?</b>	
Yes	54%	Play in the river	29%
No	46%	Go for a walk	21%
		Free play	14%
		Watch nature and insects	14%
		Look at trees	7%
		Swim in the river	7%
<b>3 What do you like most in the Lower Dean?</b>		<b>4 What would you like to add or change ?</b>
